The unstant of the defermant from Handel to Mendelssohn and Of vindictive feeling there is and ought to be schowerd. The more intelligent classes of English and you may recognize at once the counterpance of the hereditary principle:

The unstant of the defermant from Handel to Mendelssohn and Of vindictive feeling there is and ought to be schowerd. The more intelligent classes of English and you may recognize at once the counterpance of the more intelligent classes of the Legislative Council, where the clerk reads might have more effect upon a nation than laws. will here name, and who have inherited their the whole text of each clause when a hill is On the other hand, it is hard to trace the up-titles, equal in that respect to any 12 members onquerable tengeity of William III; in the pic, of the Lower House, and cloquent enough for tures before you, and you may look from one all Parliamentary discussion-Ellenborough, portrait of Marlborough to another without Derby, Granville, Shafteebury, Kimberley, Claletecting mything, more than "that decorous rendon, Argyle, Grey, Redesdale, Dalhousie, seremity which neither peril nor infamy, could Carnaryon?

eyer disturb." His Duchess is handed down to In your second criticism you complain that domonstrating in this instance to the whole us as a peorless beauty and a formidable scold; we are "idle" and "do nothing." I therefore hody, of joint-stock companies directors give you a list of some of the Bills originated their individual and pecuniary responsithe former quality you can identify at once, but dains, the Earl of Peterborough, is the very "Traffic Regulation in the Metropolis," Judges and shareholders safeguards against wrongman of the stories. His countenance tells you Chambers," "Vice-Admiralty Courts," Office doing no greater than they were 20, years ago; in a minute how it was that he schieved es of Judges," "British Herring Fisheries," ploits which no soldier in his senses would ever "Contagious Diseases, Animals," with 14 others | leaving this part of the matter to be dealt with have altempted. He must have been half crozed in progress. All these are practical legislation. soldiers. It is not entirely surprising to find House of Commons. A most elaborate one on but it is rather remarkable that Atterbury Climpicarde, is now passing through the same should appear so much stronger than Boling ordeal. The logal points involved in the case broke. Not but what the Bishop was a man of of the Tornado were ventilated completely by against being supposed to sympathise with which young Englishmen are often guilty in energy and action. It was he who on the death Lords Derby Clarendon, Russell, and Clarin-With regard, to attendance, I find by the the worst and most unjust infliction arising out Clerks list of this Session that whenever any of such abuses—that of being overridden for real business has been before the House from over by preferential claimants, who profit by 70 to 150 Peers baye been present, and that the their undeserved misfortunes. iverage attendance may be nut at about 100.

Reverting to the point whether the House of Lords should originate more Bills, it must, be recollected that many are precluded as involving desirable that it should take a principal part in initiation. By the spirit for practical sense of the Constitution, its most useful duty is to examine ravise and improve the legisla-

dissolute extravagance, had some good about apprehend enhancing to value. nances as rather to impair the belief in the accuracy of the representations handed down: but, perhaps, full-bottomed wigs were not more!

landers as you look at his picture. He became, however, before his death a very popular character in England, and the "Duke's Head" the most part to answer very nearly to preconiceived ideas, but celebrities multiply rapidly as the century approaches its close, and there are seme disappointments among the crowd of portraits. Yet the Exhibition altogether is a real lecture, and the perplexities of the observer case of Flora Macdonald, one portrait will curgiance to the Kings of Navarre, and thus rioters, and a troop of Hussars, with drawn jee & Co. to Hongkong merchant. rect the impression; or want of impression, produced by another, and show how much must be
